Whereas, The Board of Control has called to the attention of the members of the House of Representatives a letter dated September 23, 1926, from James T. DeShields of Dallas, Texas, calling attention to a large painting by McArdle, entitled "The First Settlement

of Texas" that now hangs on the walls of the House of Representatives;

Whereas, James T. DeShields states in this letter that the State has never bought this painting and guess they never will, and asks permission to move said painting to Dallas, Texas.

The resolution was read second time and was adopted.

INVITING NATIONAL CONVENTION OF THE AMERICAN LEGION TO CONVENE IN HOUSE.

Whereas, It is doubtful whether the National Convention of the American Legion, scheduled for Paris in 1927, will be held there; and

Whereas, There are thousands of loyal Legionnaires living in Texas; and

Whereas, Texas has several cities anxious for and capable of hospitably entertaining a National Convention of the American Legion; and

Whereas, The newly-elected State Commander of the American Legion, R. C. Winters, intends to invite either the 1927 or the 1928 Convention to Texas; therefore, be it

Resolved, That the House of Representatives do hereby invite either of the above mentioned National Conventions of the American Legion to be held in Texas at any city later determined; and be it further

Resolved, That a copy of this resolution be sent to the State Commander, R. C. Winters, for his information and guidance.

PROVIDING FOR NEW BATTERIES FOR THE VOTING MACHINE.

Mr. Hornaday offered the following resolution:

Whereas, In order to expedite the business of the First Called Session of the Thirty-ninth Legislature, it has been necessary to subject the voting machine to a very rapid usage, whereby this has resulted in a great strain on the batteries of said machine, and has so weakened the batteries that in order

to have the voting machine efficient for the use of the Fortieth Legislature a new set of batteries will be necessary; therefore, be it

Resolved by the House of Representatives, That the sum of four hundred dollars (\$400), or so much thereof as is necessary, be appropriated out of the contingent fund of the House for the purpose of purchasing new batteries for the House voting machine, and the House pay for said batteries by vouchers drawn on the contingent fund, approved by the Speaker and the Chief Clerk of the House of Representatives.

Signed—Hornaday, Runge.

The resolution was read second time and was adopted.

PROVIDING FOR COMMITTEE TO INVESTIGATE BLANKET TAX IN JOHN TARLETON COLLEGE.

Mr. Graves offered the following resolution:

H. C. R. No. 6, Relating to blanket tax in John Tarleton College.

Whereas, It has been brought to the attention of some of the legislators that there has been grave criticism of the management of the John Tarleton Junior Agricultural College; and

Whereas, It is alleged that the records in the Comptroller's Office show that the Dean, J. Thomas Davis, of the John Tarleton Junior Agricultural College has spent and allowed to be spent excessive traveling expenses, including payment for shaves, shines, and scouting of football games; and

Whereas, It is alleged that students attending the John Tarleton Junior Agricultural College are compelled to pay, in addition to a large maintenance fee, a blanket tax of fourteen dollars and fifty cents (\$14.50) to finance football and other student activities; and

Whereas, There are many boys and girls in the John Tarleton Junior Agricultural College who are unable to finance football games and other sports and who can get better advantages by being permitted to pay only the fees pertaining to the actual support of the College; and

Whereas, The State has appropriated funds to equip hospitals and pay nurses' salaries for the John Tarleton Junior Agricultural College, yet it is alleged that more than three thousand dollars (\$3000) are collected each year from a student blanket tax under the pretense of collecting a medicine and hospital fee; and

Whereas, Since the citizens of Erath

county, where the John Tarleton Junior Agricultural College is located, seeing and knowing that said College is being damaged and retarded in its growth under its present management; and since the citizens of said county and adjoining counties are demanding that their Representatives and Senators instigate investigation proceedings that will relieve the College from its embarrassing situation; and

Whereas, It is necessary to investigate our educational institutions when there is evidence of extravagant and wasteful expenditures of public funds. Now, therefore, be it

Resolved by the House of Representatives of the Thirty-ninth Legislature, First Called Session, the Senate concurring, that

Section 1. Immediately upon the passage of this resolution a committee of five (5) members shall be appointed; three (3) from the House of Representatives to be appointed by the Speaker of the House, and two (2) from the Senate, to be appointed by the presiding officer of the Senate; the said committee to be charged with the duty of investigating all blanket tax, the receipts and disbursements of all funds, and all alleged irregularities that may exist in the John Tarleton Junior Agricultural College; the said committee is hereby empowered to employ two certified public accountants to audit the books and accounts of the said John Tarleton Junior Agricultural College.

Sec. 2. Said committee shall have power to issue process for witnesses to any place in this State and to compel their attendance and the production of books and records; and upon the disobedience of any subpoena said committee shall have power to issue attachments, which may be addressed to and served by either the sergeant-at-arms appointed by said committee or by the sheriff or any constable of any county of this State; said committee shall further have power to administer oaths and affirmations of witnesses.

Sec. 3. Witnesses attending the sessions of said committee under process shall be allowed the same mileage and per diem as is allowed witnesses in the trial of criminal cases in the district court.

Sec. 4. The sum of fifteen hundred dollars (\$1500), or as much thereof as is necessary, is hereby appropriated out of the contingent expense fund to meet the expenses incident and necessary to the investigation authorized by this resolution.

Sec. 5. The testimony heard by said

committee shall be stenographically reported, and the same shall be transcribed and reduced to writings.

Sec. 6. The said committee shall report its findings as early as possible to both branches of this session of the Legislature; but, if necessary, the committee may continue its investigation and report its findings to the Fortieth Legislature; provided, that no member of said committee shall receive more than the regular per diem of a legislator.

The resolution was read second time and was adopted.

RELATING TO CONTRACTS MADE BY TEXT BOOK COMMISSION.

Mr. Purl offered the following resolution:

Whereas, The Governor of Texas has failed to submit to the Senate of this Called Session of the Thirty-ninth Legislature the question of confirmation of the Text Book Commission; and

Whereas, Official notices have been sent out of proposed changes on new adoptions for more school books this year—said Commission to meet in October of this year—and

Whereas, This House has adopted a resolution calling for an investigation of the Text Book Commission and a committee has already been appointed for this purpose; and

Whereas, The schools of this State are now operating under a \$11.50 per capita apportionment and the continual changing of text books and new adoptions have added confusion to our schools and depleted the school funds, and any other adoptions at this time cannot serve the best interest of the school children of Texas; now therefore, be it

Resolved by the House of Representatives, Thirty-ninth Legislature, First Called Session, That we are opposed to the present Text Book Commission awarding any contract for books, and we respectfully and earnestly hope that they will follow the recommendations of this resolution and not adopt any new books or make any further contracts at the October session.

The resolution was read second time and was adopted.

Mr. Purl moved to reconsider the vote by which the resolution was adopted and to table the motion to reconsider.

The motion to table prevailed.

In Memory
of
Hon. Ed Anderson

Mr. Farrar offered the following resolution:

The Honorable Ed Anderson died at his home in Waxahachie, Texas, on December 21, 1923, after a prolonged illness. Mr. Anderson came to Texas from Virginia at an early date. He was a pioneer citizen of Ellis county and a leader in all things that tended to make for good in the progress and development of this great banner cotton county. Mr. Anderson served his State both as an educator and Legislator, having been a member of the Thirty-first Legislature of Texas. He was also an active worker and member of both the Methodist Church and the Independent Order of Odd Fellows, being a true Southern, Christian gentleman in every respect;

Whereas, The Weaver of Human Destinies has brought to a termination a long, useful and successful life of one of Texas' illustrious men; and

Whereas, The State of Texas and friends of this worthy citizen mourn the loss and passing of this good man; therefore, be it

Resolved, That the House of Representatives join with the friends and loved ones of their former member in expressing their appreciation of his life and sorrow for his death; that a copy of this resolution be sent to the wife of the deceased, that it be printed in the House Journal, and that when the House adjourns today it does so in respect to his memory.

FARRAR,
STOUT.

The resolution was read second time and was adopted by a rising vote.
